## MOVIE MAKERS GROUP

### COMPETITION GUIDELINES

- Two competitions are held each year
- Entries must be on media that the Club's equipment plays
- All "Midyear Competition entries that meet VOTY (Movie Makers Of The Year) criteria can be entered in the VOTY Competition.
- See Club Website for Competition Rules and Guidelines

## PHOTOGRAPHIC GROUP: GUIDE TO SET SUBJECT COMPETITIONS

The Club's Monthly Competitions: • Monochrome Print • Colour Print • Small Print • Electronic Displayed Images (EDI's). Entrants are invited to enter two (2) entries in each/any eligible section/s.

All EDI Entries have a Closing Date the Tuesday the week before the competition, i.e by the 3<sup>rd</sup> Tuesday of the month. This is to allow for EDI Administration and Judging Preparation.

**Normal EDI Definition (N-EDI):** An electronic image set to the competition rules for (file size and image size) and entered each month. On a set subject month the normal EDI should conform to the set subject topic.

**Freestyle Definition (F-EDI):** Freestyle competition has been aligned with 'Open' Competitions in 2012. See definition below.

- İ **OPEN** Any pictorially treated subject of good composition and design reflecting the photographer's interpretation
- İ **FREESTYLE** The photographer is free to explore anything they like, exploring new/novel/experimental concepts, expressing their imagination including abstract and the unusual. The only constraint is that all images or elements of the image must be captured by the photographer using photographic equipment and post processing is done by the photographer. (2012 Aligned to the "Even" Months)
- İ **REFLECTIONS** An Image that uses a reflective surface to capture another image – natural or artificial light, common surfaces used for reflective photography are bodies of water, windows, and mirrors etc. [Reference: <http://www.brighthub.com/multimedia/photography/articles/57923.aspx>]
- İ **NATURE** Nature photography depicts untamed animals and uncultivated plants in a natural habitat, geology and the wide diversity of natural phenomena from insects to icebergs. Photographs of animals, which are domesticated, caged or under any form of restraint as well as photographs of cultivated plants are ineligible. Minimal evidence of humans is acceptable for nature subjects, such as barn owls or storks, adapting to an environment modified by humans or natural forces, like hurricanes or tidal waves reclaiming it. See: <http://www.photographynsw.org.au/topshotconditions.html> **May**
- İ **EXPRESSIONS & SAYINGS** There is little bit Humour in this competition. Capture an image that when you look at it you could apply a famous saying – 'Fork in the Road', 'The Last Straw' etc. Use your imagination – your image can have your own choice of title but must also state the Famous Saying it depicts. Phrases and their Meanings: *All Down Under – Sayings that made Australia Famous* <http://alldownunder.com/australian-slang/dictionary-phrase.htm>  
*Phrase Finder:* <http://www.phrases.org.uk/> **July.**
- İ **MOVEMENT** Not stationary – an image that depicts motion - the image must show motion. **September.** Macro photography is a term used for close up photos. It is a term applied to photos, which have a 1:1 or closer magnification. Find small details of larger objects to create, possibly, an abstract looking image and/or take a picture or part picture of - insects, flowers other items –
- İ **MACRO** your options are endless. Macro Websites: <http://www.paulhamiltonphotography.com.au/> and <http://www.photoshopaustralia.com/photography-articles/what-is-macro-photography.htm>  
**November**
